### SEACOR ENVIRONMENTAL SERVICES MIDDLE EAST DELIVERS HAZARDOUS WASTE OPERATIONS AND EMERGENCY RESPONSE TRAINING TO DP WORLD

Dubai, UAE  
9 October 2009

FOR IMMEDIATE RELEASE – Dubai based SEACOR Environmental Services Middle East (SESME) the regional operating arm of SEACOR Environmental Services (SES), a global leader in risk management, environmental and emergency response solutions, delivered 3 days of hazardous waste operations and emergency response (HAZWOPER) training to DP World at Jebel Ali Port in Dubai.

The HAZWOPER course is based on the NFPA and OSHA requirements for training of those personnel involved in the response and management of dangerous goods and hazardous materials incidents. This training was delivered to Safety Officers and environmental personnel working in Jebel Ali Port.

SESME has been working with DP World for a number of years supporting emergency response operations within DP World's terminals and facilities. This support

has included the response to oil and hazardous materials (HAZMAT) spills along with providing expert advice and delivering training.

SES, a subsidiary of SEACOR Holdings Inc. (NYSE: CKH), is a global provider of risk management and environmental, industrial and emergency response solutions to a diverse range of industrial sectors. An ISO 9001, 14001, and 18001 certified organisation, SES provides customers with a range of services including oil and hazardous material response, fire-fighting & rescue, waste management, industrial services, site remediation and emergency response & business continuity consultancy and training. Principle operating centres are in the UK, the US, the Middle East, the Caspian & Black Sea Regions, and Southeast Asia. For more information visit [www.sesme.ae](http://www.sesme.ae)
