PRESS RELEASE

SEACOR ENVIRONMENTAL SERVICES MIDDLE EAST TO PROVIDE EMERGENCY RESPONSE SERVICES TO RAS AL KHAIMAH OIL AND BUNKERING

Ras al Khaimah, UAE
1 February 2010

FOR IMMEDIATE RELEASE – Dubai based SEACOR Environmental Services Middle East (SESME) the regional operating arm of SEACOR Environmental Services (SES), a global leader in risk management, environmental and emergency response solutions, has begun working with Ras al Khaimah (RAKOB) to provide oil spill response services to their new bunkering operation in the northern Emirate of Ras al Khaimah.

SESME is contracted to provide oil spill response services to the onshore terminal and offshore bunkering operations and is working with RAKOB to develop a mutual aid arrangement for the Emirate to share resources between the various organisations operating there.

SES, a subsidiary of SEACOR Holdings Inc. (NYSE: CKH), is a global provider of risk management and environmental, industrial and emergency response solutions to a diverse range of industrial sectors. An ISO 9001, 14001, and 18001 certified organisation, SES provides customers with a range of services including oil and hazardous material response, fire-fighting & rescue, waste management, industrial services, site remediation and emergency response & business continuity consultancy and training. Principle operating centres are in the UK, the US, the Middle East, the Caspian & Black Sea Regions, and Southeast Asia. For more information visit www.sesme.ae
